

My name is Sherry Johnson. I have been a school counselor for 30 + years. I received my BSE degree in Early Childhood Education and a MSE degree in School Counseling (K-12) and 18 hours for Gifted and Talented Education from UCA. I started my career at Timbo School as a 3rd grade teacher and then I became the K-12 Counselor and Gifted and Talented Teacher. I enjoy working with children and I want every child to have a happy and successful school experience. If you have any questions or concerns about your child's academic, social or emotional well-being at Mountain View Elementary School, please call me or come by school and visit with me about your concerns.
